

Welcome to Prime-Time Inc. - New & Used Office Furniture

At Prime-Time Inc. New & Used Office Furniture, we take great joy in being "elegantly affordable" and capable of suiting almost any budget.

Office furniture, either brand new or slightly used and in immaculate condition, is our entire business. We buy in bulk and sell at wholesale prices.

If you require installation, we can have it ready for you on our premises or come to your office or residence and put it together for you there.
